### Hello Neighbor

For over five years, I've been proud to call Solamar home. In that time, I've come to understand the unique needs of our community — especially through caring for my mother, Jacqy Bussio, until her passing on June 18, 2025.

Supporting both her and my father gave me firsthand insight into the small and not-so-small ways seniors benefit from trusted, local help. I've also helped Bill Fond, Peggy, Harvey, Rick and I would love to support you too!

That experience inspired me to create Solamar Care — a personal concierge and neighborhood helper service focused on wellness check-ins, tech support, errands, home upkeep, and much more.

If you or a loved one could use a little extra support, I'd be happy to stop by for a free consultation visit. We can talk through your specific needs, no pressure, and see how I can help.

Please feel free to call, text, or email me directly to schedule a time that works for you.

Warm regards,

*Marc Bussio*
